I asked Dad to give me a small revolver for my bedroom. We already have something in the kitchen. So. If something ever happens to me, it is my personal choice to be a Patriot, if the Lord allows. Do not ever feel bad for me! In reference to our conversation last night, if someone ever comes to our home to hurt , it will be my own fault, because I have things on social media that tell where my beliefs lie. It's all good! But, I need to listen to the Lord's still, small voice!

Many knew they would probably go to prison. Thats a pretty big sacrifice as bad as it may sound
